# OVERVIEW

"Only those who prepare" catch opportunities and future.

• **Established** : July 10, 1999

• **Business contents**

- Sponge Processed Goods of Home appliance, Automobile
- Synthetic Resins Adhesive of Home appliance, Automobile
- Extruder Forming of Home appliance
- Vacuum Forming of Home appliance
- Blower Forming of Home appliance, Automobile
- Detailed Parts of Electric, Electronic

• **Product line**

- Sponge Processed Goods(Tape of various)
- Synthetic Resins Adhesive(Acrylic, rubber, Special)
- Extruder Forming(ABS, HIPS, PP, ASA, etc)
- Vacuum Forming(Refrigerator internal, panel, Air-conditioner cover, etc)
- Blower Forming(Automobile parts, Home Appliance parts, etc)
